This large, elegant, two-tone patinated bronze mantel clock was crafted in France, circa 1820. The antique clock has a Classic, bronze sculpture above that features a beauty lying down pouring olive oil from a jar. The mechanism with original pendulum has been cleaned and checked, and is now in wonderful working condition and keeps good time with a beautiful chime. On either side of the dial, you'll find a sophisticated marble texture. Fine details, beautiful patina, excellent condition. Measure: 17.5" W x 6" D x 17" H. SKU: 152-212
