Categories: Glass & Barware, Misc. Furniture Pieces

Decorate a wine cellar, a wet bar or a kitchen counter with this elegant antique wine rack display. Hand carved in Germany, circa 1890 and standing on a trestle pedestal base, the piece features two slant shelves, each holding three and four bottles; each bottle slot ends with a forged nail stopping the bottle from sliding. The rustic wine storage is in excellent condition with a rich walnut patina. Measures: 23" W x 9" D x 19.5" H.
