

19TH CENTURY FRENCH CARVED WALNUT AND IRON SAILBOAT WHEEL WITH OLD YELLOW PAINT

\$995

SKU: 173-26A

Stock: N/A

Categories: [Wall Decor](#)

This antique wooden ship wheel was carved in France, circa 1880. The traditional, fruit wood nautical object has its original metal brace and eight turned handles. The traditional maritime accessory is in excellent condition with a patinated painted finish in a golden yellow and red palette. This classic wheel would make a beautiful gift for a sailor, or as decor in a classic beach house. Measures: 41" diameter.
