Decorate a study, bedroom, or living space with this beautiful antique pastel masterpiece. Created in France circa 1880, the artwork depicts a young blonde girl sitting in a chair seemingly gazing at the painter, dressed in a 19th-century white dress and a string of pink pearls. She is holding a small dove on her outstretched fingers, and it is all set on a dark blue background. This elegant traditional painting, set in an ornate carved gilt wood frame, is in excellent condition with beautiful muted colors; it would elevate any living room, office, or entryway with an air of sophistication, familial sweetness, and old world style. Measures: 1.5" D x 20" W x 24.5" H.
