Fine antique terracotta sculpture from France, circa 1880; the earthenware composition features three cheerful children in 19th Century clothing and boots; sitting on a bench, they are laughing and talking with each other. Beautiful detailed work with polychrome and natural clay finish. A plaque on the front reading "un projet" (a project), signed by the artist, Baleaio. Excellent condition with rich patina. 12"W x 7"D x 12"H SKU: 152-109
