

MIDCENTURY FRENCH PULLED FEATHERED BLOWN CLEAR GLASS CENTER VASE

$525

SKU: 223-100B
Stock: N/A
Categories: Vases, Jardinières, Planters & Centerpieces

This elegant, hand blown glass vase was crafted in France, circa 1950. The large vintage piece features a pulled feathered technique with an intricate elongated design. The large traditional center piece is in excellent condition with wonderful, artful shapes, forms and clear shade coloration; place this jardinière on a dining table filled with flowers or use it as a dish vide-poche on a console in an entryway.
Measures: 30.25" W x 7.25" D x 7.25" H.
