This antique brass and metal hall tree was crafted in France, circa 1920. Standing on three thin scrolled legs, the tall rack features a fluted central stem with a small thin bar rack, perfect for hanging pants. The rack is further dressed with a delicate tray for rings or shirt cuffs, right underneath a metal coat hanger. There is also a spinning set of hooks for ties and other paraphernalia at the top underneath a large decorative brass ball finial. The elegant hat and coat hanger is in excellent condition, and adorns a rich patinated gilt finish. Place this free standing clothing holder in an entry way or use it in a master bathroom to hang jackets, pants or belts!. Measures: 17" W x 15.5" D x 63.5" H.
