This antique cherub figure was crafted in Italy, circa 1780. The hand carved cherub depicts a putti with wing and playing the guitar; the sculpture is very expressive in his movement and features wonderful facial expressions. The religious sculpture is in excellent condition commensurate with age and use, and adorns a rich patinated polychromed and gilt finish. The colorful wall hanging sculpture would make a charming addition to a living room or study in your home. Hook in the back for easy installation. Measure: 7" W x 14" H.
