This richly illustrated mid-century Holy Bible, titled King of Kings, is the Clarified Edition published in 1961 by Consolidated Book Publishers of Chicago. Bound in a striking gold-embossed cover featuring a portrait of Christ, this edition includes the complete text of the Authorized King James Version, along with approximately 9,000 parallel renderings from the American Standard and Revised Standard Versions. The Bible is further enhanced by a full-color section of masterpieces of biblical art—reproductions from world-renowned museums including the Uffizi, Louvre, and the Metropolitan Museum of Art—depicting key scenes from both the Old and New Testaments. Additionally, it features detailed color maps of Biblical geography and an encyclopedic guide to scriptural knowledge. Copyrighted in 1957 and printed in the U.S.A., this edition was designed with educational clarity in mind, making it a prized heirloom Bible that blends scholarship, devotion, and visual splendor. Dimensions: approx. 12" H x 9" W x 3" D (estimate based on visual scale) Condition: Very good vintage condition with signs of gentle use. Binding intact. Pages clean and vivid. Minor shelf wear to the gold cover commensurate with age.
