Feed your child in style or let him/her play in the antique and ingenious Victorian high chair! Crafted in England circa 1880 and made of walnut wood and upholstered with plaid fabric, the charming baby chair has a double function; to feed a child or to convert it into a stroller rocking chair when pressed and folded. The chair with wheels features a curved back with spindles, and the seat is dressed with a shaped feeding tray table that lifts up to get the child in and out. The versatile and sturdy high chair on wheels is in excellent condition commensurate with age and use, and adorns a rich walnut patina. Measures: 14" W x 25" D x 38.5" H.
