Decorate a den or a bedroom with this elegant antique painting. Created in England, circa 1860, and set in blackened and gilt wood frame, the canvas depicts three children in the countryside riding in a wheelbarrow. The bucolic piece has a wonderful color palette, and each child has expressive faces with typical outfits of the period. The painting is signed in the bottom left corner by British artist, "A. Green". The cheerful painting is in excellent condition commensurate with age and use, and adorns a palette of rich colors. Alfred H. Green was a British painter from Birmingham who exposed in London from 1844-1862 and also at the Royal Academy and the British Institution. Measures: 35.25"W x 26.25"H
