\$725

SKU: 211-156

Stock: N/A

Categories: [Trunks, Safes, & Decorative Boxes](#),
[Vases, Jardinières, Planters & Centerpieces](#)

This antique coal scuttle was created in England, circa 1880. Built of copper with a brass and turned walnut handle, the oblong bucket stands on a round base. The versatile decorative box is in excellent condition; it could be use next to a fireplace to store wood burning logs, as a fancy waste basket, or as a planter jardinière. Measures: 16" W x 12" D x 11.5" H.
