

19TH CENTURY FRENCH BLACK FOREST CARVED WALNUT COW SCULPTURE COMPOSITION

\$1,200

SKU: 111-8

Stock: N/A

Categories: [Black Forest & Carved Wood](#)

This stately antique Black Forest sculpture composition was carved in France, circa 1860. The sculptural fruitwood work of art features a farm scene with two cows lying down, a wheelbarrow cart with a dog inside; it also features a lizard and a pair of wooden buckets on the side. This intricate piece is in excellent condition with a rich walnut patina. Place this wooden sculpture on a tabletop, a shelf or in a man's desk in a study. Measures: 17" L x 12" W x 8" H.
