Decorate a shelf or a man's office desk with this stately antique marble eagle. Created in France circa 1880, and carved of variegated marble, the tall sculpture depicts a proud bird standing on integral square rocky-form base with his head turned. The avian sculpture dressed with glass eyes, features wonderful detailed carvings especially through the plumage and talons. The large sculpture is in excellent condition commensurate with age and use, and adorns a beautiful patinated finish and different shades of grey and beige marble. 7"W x 10"D x 16.25" H
