Decorate a small space or powder room with this charming antique marine painting. Crafted in France circa 1890, the oil on canvas composition depicts a tranquil harbor scene with a sailboat in the foreground, its mast and rigging reflected in calm waters. A larger vessel appears in the distance, while a soft shoreline completes the horizon, creating depth and atmosphere.

Executed with delicate brushwork and a restrained palette of warm neutrals, soft blues, and muted browns, the scene captures the quiet poetry of maritime life. Its compact vertical format makes it ideal for a powder room, hallway niche, or layered into a gallery wall.

The painting is set inside an ornate carved wood frame with a richly patinated gilt finish, featuring beaded inner trim and a distinctive checkered relief motif that adds texture and visual interest.

The antique painting is in excellent condition commensurate with age and use, with light surface wear consistent with its age. The frame retains a warm, time-softened gilt patina with minor wear.
