This elegant antique vitrine was crafted in southern France, circa 1830. The wall cabinet with roof shape bonnet top, is decorated with baluster columns on the sides. The curio cabinet features a single door with the original wavy glass panel and dressed with the original hand shape brass pull. The cabinet is further decorated with a small drawer under the door. The inside is dressed with a center shelf, and upholstered with a salmon velvet fabric. The narrow wall cabinet is in excellent condition commensurate with age and use and adorns a rich walnut patina. A perfect display cabinet for a powder room, a bathroom or any other room for a collection of some sort. Original hanging hooks in the back for easy installation. Measures: 26.5"W x 10"D x 39"H.
