Add some color to your kitchen wall or dining room shelf with this beautiful antique Majolica wall platter. Crafted in France, circa 1880, the plate features sculptural fruit motif in high relief which includes a pair of pears hanging from tree branches covered with green leaves. The colorful hand-painted faience round plate with pink flowers can be hung for easy display, and is stamped on the backside "Longchamp". The elegant ceramic plate is in excellent condition with a wonderful color palette of green, blue, orange, and pink. Hooks in the back for easy installation. Measures: 12" diameter.
