Add charm to a family friendly living room or nursery with this elegant kids armchair. Crafted in France circa 1860, the painted antique chair features a square back, two carved armrests with floral medallions, and delicate turned legs with diamond shaped decorations. From the carved wood to the padded armrests, this carved baby chair is in wonderful condition and has a richly painted patinated finish in a pale green palette. The fabric is commensurate with age and use. Measures: 16" W x 16" D x 22" H.
