Incorporate neoclassical beauty into your home with this exquisite suite of antique footstools. Crafted in Paris, circa 1880, and made of walnut wood, each stool sits on small scroll feet, over a scalloped apron; the footstool has been upholstered with a tan leather and dressed with decorative brass nail heads. The three stools are in excellent condition commensurate with age and use, and adorn a rich blackened patinated finish. Measures: 12.75" W x 11.5" D x 7" H.
