Add a touch of timeless elegance to your home with this refined antique chandelier. Crafted in France circa 1880, the fixture features an ornate bronze frame adorned with cascading cut-glass pendants, faceted prisms, and rosettes that beautifully refract the light. The chandelier's eight curved arms support candle-style lights with realistic wax-form sleeves, enhancing its romantic Louis XV-inspired design. A central crystal baluster and a large faceted ball finial complete the piece with sophistication and sparkle. Newly wired to U.S. standards and ready for installation, this exquisite luminaire is in excellent condition with a rich, aged patina and original crystal clarity. Perfect for a dining room, entryway, or bedroom seeking authentic 19th-century French charm. Included: a canopy, loop, and chain, each color-matched to the fixture.
