This interesting, antique child potty train armchair was crafted in France, circa 1850. The chair features a small hole on the seat, a little door in the back to hold the bucket, a wooden guard across the front and rich carving with paw feet and wheels. The whole piece is upholstered with the original brown leather and a beige gimp. A true one of a kind! Excellent condition with rich patina. Measures: 16" W x 21" D x 27" H. SKU: 113-361
