This Classic, antique scale with original plates was created in Dijon France, circa 1870. Rectangular in shape, the fruit wood scale embellished with marquetry fillet decor, features the original removable brass plateaus. The measure devise, signed Zimmerman Dijon, is in excellent working condition commensurate with age and use, and adorns a rich walnut patina and polished brass trays. A great addition to any kitchen counter! Sold with an antique 19th century set of weights. Smallest little weight missing. (See photos) Measures: 25" W x 10" D x 10" H.
