Decorate a dining table with this elegant antique planter. Crafted in France circa 1880, and made of bronze, the jardiniere stands on scrolled feet with foliate motifs. Oval in shape, the floral vase is dressed with leaf handles and features carved decor around the rim. The neoclassical jardiniere is in excellent condition with a rich patinated bronze finish. Measures: 26" W x 15.5" D x 9" H.
