This elegant antique weather vane was created in Normandy, France, circa 1860. The traditional copper sculpture features a Classic swivel French chanticleer rooster standing on an arrow; below, the four points of the compass swivel according to wind direction. The piece is in excellent condition with the original patinated copper finish. A true one of a kind! The weather-vane stands on a contemporary base only for picture. Measures: 23" W x 17.5" D x 30" H.
