This antique terracotta sculpture was sculpted in Paris, France, circa 1880. The work of art features a pair of joyous cherubs sitting on a basket full of grapes and fruit, with one of the putti holding a bird in his hand. The earthenware ceramic piece is in excellent condition and has its original rich patina. Place the sculpture on a tabletop or mantelpiece for a charming, sweet addition to your home. Measures: 11" W x 6" D x 13" H. SKU: 162-402
