Decorate a shelf in an office or study with this elegant two-tone antique bronze composition. Created in France circa 1890, the composition depicts two young kids kneeling and reading a large book together. The large art work features wonderful clothing and facial details throughout. The heavy bronze sculpture is in excellent condition and adorns a beautiful two-tone gilt and patinated finish. 15"W x 11"D x 18"H Weighs 51 pounds
