Place this elegant antique "Chambord" planter on your patio for a timeless flower display. Crafted circa 1880 and built in two pieces, the large sturdy stone jardinière was found in Paris, France. The jardinière sits on a solid square base over a pedestal carved gadrooned shaped basin embellished with a wide flared rim at the top. The Medici form garden urn is in excellent condition and adorns its original weathered patinated finish throughout with evidence of outdoor use. Drainage hole at the base. Measures: 24" diameter 18" height.
