Decorate a garden or patio with this elegant antique outdoor sculpture composition. Carved in France circa 1880, the large sculpture stands on an oval base, and depicts a young sweet girl in lace dress and wearing a hat; she is holding a bouquet of flowers in one hand, and a wheelbarrow handle in the other. The heavy planter with wonderful details, is in excellent condition with a patinated weathered finish, and evidence of outdoor use. Weight 204 pounds. Measures: 20"W x 15"D x 35.5"H.
