Crafted in France circa 1920, the rectangular frame is designed in turned faux bamboo elements, showcasing the refined craftsmanship and light exotic influence popular in early 20th century French decorative arts. The warm honey-toned wood finish adds depth and richness, while the simple mirrored plate keeps the piece versatile and easy to integrate into both traditional and eclectic interiors.

The mirror is in excellent condition commensurate with age and use, and adorns a rich and warm patinated finish. It is fitted with hanging wire on the back and would make a stylish accent over a vanity, in a powder room, or in a petite entry. Dimensions: 18.25"W x 24"H
