This large, elegant Regence bow front fruit wood "encoignure" (or corner cabinet) was crafted in the Poitou region of France, circa 1810. The antique cabinet was built in two sections and has carved panelled doors and interior shelving. This cupboard is not only beautiful with a rich walnut patina and stylish lines, but also has useful storage space inside. Excellent condition. Measures: 50" W x 26" D x 105" H. SKU: 133-513
