Stage your backyard or garden with this elegant antique planter. Crafted in France circa 1860 and oval in shape, the large jardinière stands on small scroll feet, over a serpentine form body with bombe sides, and decorated with crest motifs in high relief. It is further embellished with a pierced trim decor at the top and dressed with intricate side handles. The flowers pot is in excellent condition commensurate with age and use, and adorns the original rich patinated weathered finish with evidence sign of outdoor use; a wonderful addition to any backyard or patio! Bottom pierced for water drainage. Measures: 21"W x 14"D x 10"H.
