Bring elegance and pastoral charm to your space with this exquisite French Aubusson tapestry. Handwoven in the early 20th century, the composition depicts a serene woodland landscape animated by lush foliage, exotic birds, and a pair of golden peacocks. In the background, a winding river leads the eye to a stately château nestled among trees, bathed in the soft light of a distant sky. The vivid scene is framed by a decorative border adorned with scrolling acanthus and stylized floral motifs in tones of gold, slate blue, and olive. The back is lined with a striped cotton fabric and fitted with hooks for easy wall display. Measuring 60 inches wide by 50 inches high, this tapestry is in excellent condition commensurate with age and use. A timeless wall décor piece, ideal for adding warmth, color, and historical texture to a living room, study, or formal entryway.
