This exquisite antique gun rack was carved in France, circa 1920. The oak sculpture features a young bear standing with open arms. The wooden animal figure has an expressive face, and detailed texture throughout the body. The piece will hold three guns or could also be used as a umbrella stand in an entryway. Excellent condition with rich walnut patina. Measures: 21" W x 20" D x 31" H. SKU: 62-627
