Decorate a ranch or hunt cabin with this beautifully executed, antique bear sculpture composition. Hand carved in France circa 1920 from one piece of fruit wood, the whimsical composition depicts two bears, one standing, one sitting and hugging each other. Both mammals have sweet facial expressions with exquisite hand carved details throughout. The animal sculpture is in excellent condition commensurate with age and use, and adorns a rich walnut patina. 12.5" Diameter 12"H.
