

EARLY 20TH CENTURY FRENCH BRASS "COR DE CHASSE" HUNTING HORN

\$775

SKU: 212-33

Stock: N/A

Categories: [Miscellaneous Accessories](#)

This horn was created in France circa 1920, made of brass, this kind of music instruments were part of the French accoutrements during the "Chasse a Courre" (or deer hunts with hounds in the provinces of France and fox hunts in England). The Horn is in excellent working condition with a rich patinated finish and embellished with a red rope wrapped handle. Measures: 29" W x 17" D x 10" H.
