This elegant, antique bronze centerpiece was crafted in France, circa 1920. The shallow dish sits on an intricate round base; the top is decorated with traditional allegoric scenes and embellished with a central medallion featuring a lion figure surrounded with Roman words. The tall dish is in excellent condition and has a rich two-tone patinated bronze finish throughout. The Classic piece would make a wonderful vide-poche or could be placed as a center table piece filled with fruit or sweets. Measures: Diameter 13" Height 7.5".
