Decorate a wine cellar or breakfast room with this elegant suite of antique ladder back chairs. Crafted in France circa 1920 and made of oakwood, each side chair stands on straight legs with scroll feet over a wide and deep seat. The tall pitched back is arched at the top, and features carved decor around the frame, including two floral medallions and grape and vine motifs on the center ladder. The comfortable set of country chairs are in excellent condition with a rich light patinated fruitwood finish.

Measures: 17.5" W x 17" D x 40.25" H.
