This elegant fruit wood wine bottle holder is shaped as a clog shoe and was crafted in France circa 1920. The unique, hand carved piece features a handle shaped as vine and has leaves on both sides. There is a metal hook at one end, which can hold the neck of the bottle while serving. This is a fun accessory for your bar and is in wonderful condition with rich walnut patina. Measure: 14W x 5.5D x 7H. SKU: 153-204
