Add a little country French charm to your kitchen with this fine working bread cutter with wood handle. Crafted in France, circa 1920, the antique bread slicer is very simple and rustic and style; the baker's knife sits on an attached platform secured with heavy forged nails, and features a very sharp blade with wood handle for easy use. The kitchen accessory is in excellent condition commensurate with age and use, and adorns a rich walnut patina. Hook for easy hanging. Measures: 26" W x 9" D x 6" H.
