Decorate a powder room, hallway, or bedroom with this elegant antique wall mirror. Crafted in France circa 1920, the rectangular frame is fashioned in the faux bamboo taste and features finely detailed wrapped corner joints and decorative bindings that emulate natural rattan craftsmanship. The warm honey-toned finish highlights the texture and character of the carved wood, giving the piece a timeless organic appeal.

The mirror retains its original glass and original wood back, and may be displayed either vertically or horizontally. The simple rectangular form combined with the faux bamboo motif makes it versatile enough for both traditional and coastal-inspired interiors.

The antique mirror is in excellent condition commensurate with age and use, and adorns a rich patinated finish throughout the frame.
