Place a vase or a bust on this elegant antique wall hanging bracket. Crafted in France, circa 1920, the bow front console table features a centre drawer and iron pull, shaped sides, and exquisite carving throughout including hand-carved acanthus leaves across the front and on the single cabriole leg. The corbel is in excellent condition with a grey patinated painted finish.

Measure: 20.5" W x 11" D x 26" H.
