Use this elegant service table in your dining room to serve tea or dessert. Crafted in Provence France circa 1920, the table stands on cabriole legs decorated with acanthus leaf motifs at the shoulders, ending with escargot feet. The table features a scalloped apron decorated with floral embellishments, and bombe sides over a lift tray cartouche top. The removable surface with raised edges is dressed with brass handles and features a silk tapestry under a protective glass top. The cart is further embellished with a bottom shelf for additional display storage. The fruitwood side table is in excellent condition commensurate with age and use, with a rich walnut patina. Measures: 29" W x 20.5" D x 25.5" H.
