Elegant antique writing desk from France, circa 1900; the kidney shape cabinet features a red marble top with brass gallery around the perimeter, a central pull-out writing surface with blue felt, five drawers inside including a larger one in the center, and four cabriole legs with bronze foot covers. The desk also has inlay designs on the front and both curved sides, with bronze decorative mounts. Excellent condition with rich patina. Measures: 38" W x 22" D x 39.5" H. SKU: 172-296
