Decorate a table or console with this colorful antique majolica planter. Crafted in France, circa 1920, the large, decorative ceramic composition features a wild boar sited on the edge of a flower pot decorated with reed motifs. The large whimsical cache pot is wide and round with an ornate, sculptural quality. The barbotine planter is in excellent condition commensurate with age and use, and adorns wonderful colors in the green and brown palette. A wonderful addition for a ranch or hunting lodge!
