This beautiful, vintage two-tier rolling bar cart was created in France, circa 1920. Rectangular in shape and built of brass with silver coating, the dessert table stands on large front spoked wheels over a faux bamboo form frame; it is dressed with two plateaus with inset smoked glass surfaces, and the lower tier is further fitted with a three-bottle holder compartment. The trolley table is dressed with a large decorative utilitarian side handle. The classic cart is in excellent condition commensurate with age and use, and adorns a rich patinated silvered brass finish. Practical and convenient, the service table on wheels could be used to serve cheese, dessert or tea during or after a meal! Measures: 34.25" W x 19.75" D x 31" H.
