Stock: N/A

Categories: [Chandeliers](#), [New Arrivals](#)

Decorate a ranch or a log cabin with this elegant antique real antler chandelier! Handcrafted in France circa 1920, the large fixture is built using a dozen natural deer horns; it has six lights newly wired and further dressed with horn candle sleeve covers. The wide chandelier is in excellent condition with a wonderful patinated finish. 29" Diameter 31.5" H
