Bring a touch of French countryside charm to your kitchen, breakfast nook, or sunroom with this whimsical chandelier. Crafted in France circa 1920, the early 20th-century light fixture features a sculpted tole and metal frame adorned with hand-painted green leaves and bright red cherries. The six scrolled arms each hold scalloped bobeches and candle-style lights newly wired to US standards. Both playful and elegant, this decorative fixture showcases the artistry of French metalwork and the joyful natural motifs characteristic of the period. The chandelier is in excellent condition with minor wear and a lovely aged patina. Measures: 22" diameter x 22" height. Included: a canopy, loop and chain, each color-matched to the fixture.
