Decorate a powder room or breakfast room with this elegant antique wall corner cabinet. Created in southern France circa 1920, the "encoignure" has a bombe front and sits on scroll feet over a scalloped apron; it features a arched top, a bowed glass door which reveals two inside adjustable shelves for display. The small corner cupboard is in excellent condition with a rich walnut patinated veneer finish. Measures: 24" W x 16.75" D x 30.25" H.
