Place this elegant antique console table behind a sofa or against a wall. Crafted in Spain circa 1920 and built of oak and pine, the Baroque sofa table sits on square legs connected with a double bottom stretchers; the table features three hand carved drawers across the front decorated with floral motifs, and dressed with wrought iron pulls. The thick top is built with one single plank of wood. The Louis XIII style console is in excellent condition commensurate with age and use, and adorns a rich walnut patina with wonderful natural distress. The back side of the table is also finished, so the console could also be used in front of a window. Measures: 66" W x 19" D x 32" H.
