The hall tree features a swivel top with two rows of six hooks, so it could be used as a dual hat and coat rack; It is further dressed with a top decorative finial. The carved stem stands on four double scrolled legs further decorated with a ring to hold umbrellas upright; the stem is further dressed with three belt hooks. The coat rack is in excellent condition commensurate with age and use, and adorns a rich light bleached patinated finish. Measures: 28" W x 28" D x 78" H.
